Ī	On Monday, September	28th 2015, I was re	equested to investigate a	possible prostitution	incident at Southern	n Regional	
	Medical Center. Upon arriv	al I met with OFC	SAMUEL who advised	that Juvenile 1 was	brought to SRMC b	y MICHAEL

1	(QUETORIAN BRYANT).	OFC, SAMUEL ac	dvised that ELDER was	being held at the hos	pital until the situat	ion could be	
	investigated.

1	None of the juveniles wer	e with their legal	guardian. All parties st	ated that they were ju	st "hanging out". Al	ll illegal activi	ity
	was denied. The parents of i	he juveniles were	contacted and requeste	d to respond to the in	cident location to pic	ck up their	
1	children. Upon arrival of th	e legal guardians,	the appropriate juvenil	es were released into	their custody. The ju	eveniles who	were
1	not able to be picked up on	scene were transpo	orted to the Clayton Co	unty Police Departme	ent in order to be pic	ked up by the	eir
	parent or guardian. TWAN	ECIA SMITH resp	ponded to the hotel room	m while my on scene i	nvestigation was bei	ng conducted	. Sh
	stated that the only person	who was supposed	to be in her room was J	UVENILE I. All oth	er individuals were	asked to leave	the
	hotel property.						
	SMITH stated that "HA	O" came to her h	otel room and was mak	ing JUVENILE I "w	ork" for him (Prosti	tute herself).	She
	stated that nothing happens	d inside of her roo	om. She also advised the	t "HALO' took JUV	ENILE I to the bosp	ital because h	ie
	stated that nothing happened inside of her room. She also advised that "HALO' took JUVENILE 1 to the hospital because he didn't want her to be out of his sight. JUVENILE 1 was reported missing on 09-08-15 under case #15060908 but for some reason

	was never entered onto GCIC as a missing juvenile. She remained at SRMC with her mother throughout this investigation,						
	In a recorded interview, "HALO" (MICHAEL ELDER) he stated that he and JUVENILE I were dating and had been						
	having sex. He found out that he had an STD and wanted to have her tested so he took her to SRMC which time the police came to the hospital. JUVENILE 1 confirmed his story in a separate interview. Both parties denied any illegal sexual activity. A copy

REPORT - NARRATIVE	On the above date and time, I was dispatched to a disturbance call at the above incident location. Upon my arrival, I made contact with the complainant who advised that Suspect 1 and Suspect 2 rent the room at the incident location and that Suspect 1 notified him that the room was destroyed. He advised that he suspects that Suspect 1 and Suspect 2 damaged the room, possibly in a fight. The complainant did show me the room, which had broken glass on the floor, the television was on the floor, and items were ripped from the wall.  I then made contact with Suspect 1 who advised that him and his roommate/Suspect 2 have been gone at work all day. He advised that the both of them do contracting work at the Atlanta Dome and in the Atlanta area. He advised that when he arrived back to the room, he discovered the damage and immediately reported it to the complainant. He advised that some of the local "drug dealers" and/or "prostitutes" in other room most likely caused the damage. He advised that he has had a couple of verbal altercations with them in reference to him refusing their "services". Suspect 1 advised that Suspect 2 was at work all day also, but that he was not at the scene at this time.  I did took pictures of the damage to the room and they were uplonded to PD Photos. Due to there not being any witnesses or confession, I did lack probable cause to make an arrest. I also did not observe any signs or injuries on Suspect 1. The complainant advised that he did want Suspect 1 and Suspect 2 to immediately leave the property. Suspect 1 gathered all of his belongings and Suspect 2's belongings and left the scene voluntarily. I advised the complainant that if he wished to seek compensation for the damages, that he would have to take the matter to civil court. I provided my card with a case number to the complainant and he acknowledged that he understood.  No further information at this time.

	By the time I made contact with the two males offender I was no longer on scene, and I had lost visual on offender 1. I then approached the males who I observed to be arguing, I then asked both males what the disturbance so late was about. Offender 2 (Jha, Tanav) stated this guy wont leave me alone, and pointed at offender 3 (Greyer, Leory JR.). Offender 3 Stated that he gave offender 2 \$25, and that offender 2 stated he would give him the money back.
	I then asked offender 3 why he gave offender 2 the \$25, he stated he gave it to offender 2 to give to offender 1. I then asked why did offender 2 give the money to her, he stated she approached them and asked them for \$30. I then asked him why did she asked them for the \$30, which he replied and said she needed \$30 to pay for her room. I then asked him if offender I was a prostitute and he looked down at the ground and at first avoided the question. I asked him again, and he replied he did not know. I told him to be honest with me, and he stated that offender 1 approached them and asked for \$30 and that she would give them a blowjob (oral sex). I then asked him if he gave her any money, and he stated that he gave offender 2 \$25 for the purpose of giving to offender 1.
	I then asked offender 2 if offender 3 gave him the \$25, he first stated no I then asked him if he had a room at the hotel. He advised me that he had paid for a room, but could not advise me what room number he was staying in. I looked across the street at the Waffle House, I observed a white female wearing the exact same clothing looking at me. When she saw that I noticed her she went back inside the store, I then advised Ofc. St. Jean that the offender was at the Waffle House. Ofc. St. Jean then went to the Waffle House and confirmed it was her, and brought her back to our position. When they arrived I approached offender 1 and asked her what she was doing with offender 2 and 3, she advised me that she knew offender 2 from him working at a gas station in Hampton, she stated they greeted each other and said hey. She stated that offender 2
	asked her where he could get a prostitute and some "blow" (cocaine). She stated she told him that she did not do that anymore and did not know where he could get any blow. She stated the males kept following her around asking bout the girls and drugs. I then asked her if she was friends with offender 2, and she stated kind of they knew each other from him working at the store. I then asked her why both of the offenders would tell me that she offered them sex for money, she advised me that she did not know. She also advised me that she used to be a prostitute about two months ago, but she was trying to turn her life around.

Contracting to the contraction of the contraction o	On 29 September 2016, while working a Clayton County Police Departmental approved Undercover Prostitution Detail (Supervised by Lieutenant Arroyo), at the America's Best Value Inn (6358 Old Dixle Hwy., Ionesboro, GA 30236), the Offender approached me and engaged in a conversation about sexual acts. The offender was a black male, wearing a black shirt, black with white stripped sweatpants and two pigtail braids. The Offender stated he wanted a "quick fuck" before he went to work. The offender asked about the charge, at which time I advised \$20. The offender stated he only had \$8 (eight dollars) at the time, to which we mutually agreed upon.  The offender advised me he needed to go to the Texaco for "Swisser Sweets" and would return. I advised my cover team of the transaction with the Offender using my Clayton County Departmental issued wire. The Offender relocated to the Waffie House parking lot (6294 Old Dixle Hwy., Jonesboro, GA 30236) and was approached by Clayton County Police who secured an arrest. I then traveled back to the Mobile Command Center to complete all paperwork. The C.C.S.O (Clayton County Sheriffs Office) personnel notarized the arrest paperwork and transported the Offender to the Clayton County Jail. Nothing Further.

	On Monday, May 8, 2017	7 I was conducting foo	t patrol in the parkin	g lot of 6358 Old Dix	de Road, Jonesbor	o GA ( Americas
Be	st Value Inn ). Clayton C	ounty Police received	several complaints fr	om the management	of high street leve	narcotics and
pr	stitution in the parking l	ot. While conducting	the foot patrol, I obse	rved a black male wa	alking towards me	and immediately
sh	weased indicators of pos-	sible criminal activity,	by touching his righ	t pocket inner right p	ocket and looking	the opposite
di	ection while I was makin	g my approach toward	ds him. With my train	ing from HIDTA ( I	ligh Intensity Dru	g Traffic Area ) in
Во	dy Language and Decept	ion, the black male co	ntinued to showcase i	ndicators of possible	eriminal activity.	I conducted a Tier.
10	ontact with the subject as	nd asked him how his	day was, which he st	ated that his day was	going well. I state	d to the subject that
1 4	new him from prior cont	act, which he stated th	nt I did not have con	tact with him, which	I stated that I have	e. I asked the
su	Ject if he was willing to p	provide me with his ID	, which he stated thu	t he would not mind	providing me with	his ID. During my

en	counter, checked HILL's	information with Clay	vion County Commu	nication (police dispa	tch) and discover	ed that HILL did
no	possess any outstanding	warrants. I asked HI	LL if he consented fo	r me to search his pe	rson, which he con	mplied and stated
th	it I have permission to se	arch him. During the	search of his person,	l checked HILL's po	ckets, jackets, and	between the legs of
hi	pants, during which I fe	lt a unknown object th	nat was not consisten	with human anaton	y, I asked HILL v	what was inside his
pa	nts, which he stated "Ma	n I got a little marijua	na". I requested that	HILL retrieve the n	narijuana, and giv	e it to me, while I
pu	t on my gloves for protec	tion. HTLL complied a	and gave me the mari	juana, which he had	tucked underneat	h, between his anus
an	d testicles. I ndvised HIL	L that I will cite him f	or Possession of Mar	ijuana less than One	Ounce. I conduct	ed a follow up

l re	sponded to the incident location in re-	ference to a disturbance. Upon arrival, I met with	the victim who stated he was robbed for
his	money and cell phone in room 220. Ti	he victim them pointed out a black female (Offend	der) and stated she was the one who set it
up,	The offender stated she didn't know	what he was talking about and did not have his it	ems. Myself and Ofc. Thomas followed
the	offender back to her room. The offen	der stated we could come inside her room and see	that the victims items were not in the
		cation to solicit for sex and that is when he met the	
esco	orted him back to her room and as he	entered there were three black males who then p	unched him and took his wallet, money,
key	s and phone.		
As	we stepped inside the room the offend	der picked up paper off the chair that was beside t	the window in the room. The victim
stat	ed those were his receipts that she wa	as crumbling up. The victim stated his name and o	card number would be on the papers. Of
The	mas asked to see the paper and it wa	s confirmed that the receipts belonged to the victi	im. The victim advised he was sitting in
the	chair when he went to the rest room	and that is when the three black males began to b	eat him. The victim stated he broke the
tow	el rack while he was trying to get off	the floor. There was no description of the suspect	s.
The	offender first stated that she did not	know the male and then stated she was sitting on	the bed when the incident occurred. I
beg	an to ask the offender if she was in fe	ear for her life or if someone set her up to do the c	rime. The offender stated no. After
talk	ing to the offender she then stated th	e males in the room was her cousins but they wer	e no longer at the location. The offender
wor	ild not give the names of the suspects	. The victim stated that the offender told him it w	ould cost \$60 for sex. The offender stated
she	did not have his money and that no s	sexual actions occurred, I informed the offender t	hat actions did not have to occur for
Pro	stitution but an agreement had to be	made. I asked the offender if she would be willing	g to speak to CID and she smiled and
stat	ed "naw." I then placed the offender	in handcuffs behind her back. I searched the offe	ender for weapons and contraband. The
han	dcuffs were checked and double lock	ed. I escorted the offender to the back of my patr	ol vehicle.
The	victim advised the following items w	ere taken; a blue in color iPhone Sc (unknown se	rial number) valued at \$500, black in
col	or wallet, credit cards, and debit card	is. I advised the victim to cancel all of his cards. I	also advised the victim that pandering
was	illegal and future actions could resul	lt in him going to jail as well.	
I tr	ansported the offender to the Clayton	n County Jail, Upon arrival to the jail, I locked an	nd secured my weapons in the trunk of m
pat	rol vehicle. I escorted and turned the	offender over to the Clayton County Sheriff's Of	ffice for further processing.
